ORDER IN REGARD TO LETTERS OF DENIZATION

At the Court at Kensington
 s.s. the 18th of January 1699
 Present

The Kings most Excellent Maj^{tie} In Council

Upon Reading this Day at y^e Board a report from M^r Attorney & M^r Solicitor Generall In y^e words following.

May it Please yo^r Maj^{tie},

In Obedience to their Excellencies y^e Lords Justices ord^r of reference in Councill the 3^d of Novemb^r 1698, Wee have Considered of y^e anexed representation of y^e Councill of Trade and thee papers thereunto anexed relateing to y^e granting of Letters of Denization by y^e Governors in y^e plantations, and by y^e presidents Shewed unto us wee find y^e usall Method of granting Denization in the plantations hath been by Acts of Assembly of w^{ch} Sev'll Instances have been Shewed to us, Viz^t By an Act passed In y^e Gen'll Assembly of y^e Province of Maryland y^e 10th of June 1697 Stephen francis an Italian and George Slaumbe a German were Naturalized and thereby Vested with all y^e Rights and Privileges of naturall born Subjects of y^e province and y^t there by another act passed in the Same Assembly y^e 30th of March 1698, one Peter Dowdee a frenchman was in Like manner Naturalized But in both the said Acts there is an Express provisoe y^t they Shall not be Constructed to Enable or qualify y^e s^d Persons to hold or enjoy any place office Calling or Employment prohibited by an Act of Parliament made In y^e 7th & 8th

Years of your Maj^{ties} Reign for preventing frauds and regulating Abuses in y^e Plantations trade or any other Statute Law In England.

And Wee Likewise find that in November 1697, Coll: Benjamin ffletcher then Gove^r of the Province of New York Did Grant Letters of Denization und^r y^e Seale of y^e s^d Province unto one Arnold Nodine a Foreigner in which Grant there is a Clause to Enable y^e s^d Nodine to take & hold Lands Tenem^{ts} hereditam^{ts} &c. to himself his heirs and Assignes In fee Simple wth power to Sue and be Sued, and to enjoy all other rights and Priviledges as a naturall born Subject of y^t Province wth out any Restriction or regard to y^e s^d Act of Navigation or any other Statute of England, But wee do not find y^t y^e s^d Coll: ffletcher had any Express power by his Comissions to grant any Letter of Denization.

And Wee are humbly of Opinion y^t y^e Gov^{rs} of y^e plantations ought not to grant Letters of Denizations unless they were Expressly Authorized So to do by their Comissions and y^t noe Acts of Denization or Naturalization in any of y^e plantations will qualifie any person to be master of a ship wth in any of y^e Statutes made in this Kingdom w^{ch} require masters of Ships to be Englishmen.

All which is most humbly Submitted
to yo^r Maj^{ties} Royall Wisdom.

BOARD OF TRADE AND PLANTATIONS TO THE GOVERNOR OF
VIRGINIA

Whitehal. Aug^t the 21st 1700

Sir

We have rec'd yo^r Letter of the 10th of June last, with many Papers therein mentioned and referred to.

We congratulate the Success you have had in yo^r late Enterprize against the Pirats; And take this occasion to tell you that wee hope that all difficulties that might arise about the Conduct of the Governors of any of his Majesties Plantations towards Piratts will hereafter be in great measure removed, by an Act past here the Last Session of Parliam^t **for the more Effectuall Suppression of Piracy**, And the Comissions w^{ch} are now preparing to be sent thither in pursuance of y^e s^d Act, not doubting but the same will also be very Effectuall towards the Suppression of Piracy as intended.

What you write concerning Navigation Bonds (w^{ch} we take to be much what y^e same Case in Virginia as in Maryland) is proper for y^e consideracon of the Com^{rs} of the Customs, & by them to be laid before y^e L^{ds} Comission^{rs} of y^e Treasury from whom all Directions in matters relateing to his Maj^{ties} Revenue must come; and there are many other things in yo^r s^d Letter w^{ch} belong to y^e Care of y^e Lords Com^{rs} of y^e Admiralty, & others to other Offices concerning w^{ch} you have not observed yⁱ^s advice and the reason of our so advising w^{ch} we gave you in Ours of y^e 4th of January last, and have thereby left us doubtful whether it were necessary for us to Communicate y^e Copies of what we receive from you unto them, or what else might be fit for us to do therein, w^{ch} inconvenience we therefore againe intreat you for y^e future to prevent.

The Care you promise in advancing his majesties Revenue, & y^e hopes you express of being able in a year or two to Build a house for his Maj^{ties} Governor are very acceptable things, and as we doubt not of yo^r endeavours therein we hope they will accordingly prove Successfull.

We are glad also to Observe that you were taking care about the Revisal of the Lawes of Virg'a according to what we Explained to you of the Sence of his Maj^{ties} Instrucon ab^t that

matter, in our aforesaid Letter of y^e 4th of January; And hope we shall accordingly e're long receive them so Revised, that we thereby may be enabled to consider them in Order, & offer our opinion thereupon to his Maj^{ties}, w^{ch} we cannot now do upon these last rec'd, for want of a perfect & Authentick Collection of the whole, And we desire you therefore to make what dispatch you can therein.

We have found an inconvenience from some of his Maj^{ties} Plantations, in having private Acts fastened together under the same Seal with those y^t are of a public nature, the one proving sometimes an obstruccon to y^e dispatch of y^e other; And we therefore desire you (as we have done other Governors) whensoever any such private Acts come to be past in Virginia to take care y^t they be sent each of y^m under a Separate Seal, and that the persons concerned therein be advised to direct some of their friends here to Sollicit their Dispatch with the Attorney or Solicitor Generall and to furnish those friends with all memorials necessary to enable y^m to give information in any Doubts or Enquiries that may be made thereupon.

Tho' M^r Penn have given us a particular account of his having applied himself (since his arrival in Pensilvania) to y^e reformation of the irregularities w^{ch} have been in y^t Province, it is very acceptable to us to receive the confirmation thereof from You, and to understand yo^r readiness to Correspond wth him as wth the Earle of Bellemont & Colonel Blakiston, in anything for his Maj^{ties} Service; And whensoever it shall happen that you can all of you meet together to consult of y^e mutual Welfare of your respective Governm^{ts}, we cannot but hope some good effect from it.

Having lately rec'd a L^r from M^r John Moore, desiring y^t some Salary may be appointed for his Service as Advocate in the Admiralty Court of Pensilvania, in which place he says you had put him, we desire you to let him know y^t we writ you the 4th January last upon the like occasion, (viz^t) That when any Salaries are Settled upon the like Officers in other places, we shal be ready to propose that y^e same be done for him; But that the Consideracon of y^t matter belonging more properly to

the Lords of the Treasury, or Lords of the Admiralty, we do not at present think it fit for us to move anything in it.

Upon what you write of the difficulty to get a Quorum of Councillors to meet together and about Colonel Lee's desiring to be discharged from attending upon that Service, we have offered to their Excellencies the Lords Justices our Opinion that he may be discharged accordingly, and that M^r Lewis Burwell may be constituted a Member of his Majesties Council in Virginia in his stead.

We have ordered our Secretary to write to you upon some other heads of less moment; And so referring you for those matters to his Letter; We bid you heartily farewell

Your very Loving Friends
